TOUR OF JOHNSON CENTER THURSDAY, DEC. 9 | 3 P.M.

**DIDN'T GET A CHANCE TO JOIN OUR LAST TOUR?
ATTEND OUR SECOND TOUR OF THE
NEWLY RENOVATED JOHNSON CENTER!**

The Johnson Center Expansion & Renovation, which began in June 2018 and completed spring 2020, was a combination of new construction and partial renovation to the existing 300,000 Gross Square Feet (GSF) of Johnson Center.

The new facility features double the amount of space available for weight training and cardio fitness and provides indoor running/walking track, indoor cycling studio, expanded Bike and Outdoor Adventures Shop, a renovated South Gym, new east entrance with lobby and social spaces, and exterior site amenities.

Please join us for a tour of this state-of-the-art facility and learn what services are available to you as Retirees!

Parking: Park in the metered spots in the A lot across Redondo from the center or in the Cornell Parking Structure. Each parking location will require payment.

Enter the Johnson Center from the East entrance as indicated on the map. We will gather just inside that doorway.

**PLEASE RSVP TO SZABO@UNM.EDU AS SOON AS POSSIBLE, AS A LIMITED NUMBER OF PEOPLE WILL BE ALLOWED ON THE TOUR.
MASKS ARE REQUIRED INDOORS.**
