

Join the UNM Retiree Association for their private tour of the Beyond van Gogh Experience in Albuquerque, the Immersive Experience at Sawmill District, 1820 Bellamah Avenue, NW, 18104. We'll be gathering there at 2 p.m. on Tuesday, April 5th.

This unique exhibition is one that will immerse us in giant projections of the late nineteenth-century Dutch artist's paintings, enhancing our visual and emotional impact. Reviews of the show at other locations have universally praised its powerful and innovative nature.

We were only able to purchase a limited number of tickets at the group rate, and will be offering them at 20% off the group rate, as a UNMRA member. We need to have members who wish to attend the program email the UNMRA site by Friday, March 25th. Payment via check in the amount of \$32.00 per person needs to be sent to the UNMRA at P.O. Box 25601-5601, Albuquerque, NM 25601 by Friday, April 1st. I will be at the venue with the tickets and distribute them to those who have prepaid.

Directions to the venue will be sent in acknowledgement after we receive your payment.
