Step into the History of Connection! Discover the fascinating evolution of the telephone and how New Mexico helped shape a global network.

The Telephone Museum of New Mexico invites you to explore a beautifully preserved slice of communication history. Located in downtown Albuquerque on 4th street, the museum showcases a vibrant collection of working switchboards, rare telephones, operator stations, and more that helped to shape how we connect today.

There are four floors of exhibits for you to enjoy. From hands on Fun Phones, the four self-starting audios, our antique chatrooms and more, you'll be sure to learn a thing or two!

For more info, check out: <https://www.telephonemuseumofnm.com>

**NOTE:** Parking downtown is always fun but there are pay for parking near the museum 110 4th St NW, Albuquerque, NM 87102 central near here has a paid parking lot.
