

UNM Medicare-eligible Retiree Open Enrollment will be Monday, October 19 through Friday, November 6. If all goes well, Mailing Systems will begin mailing packets to retirees on October 7 through October 12, with the goal of delivery to all mailboxes by October 19.

The Medicare insurance providers will be offering virtual presentations via webex, Zoom, etc. on the schedule below. Presbyterian's presentation is recorded and will be available on demand during Open Enrollment. I am still waiting for UnitedHealthcare to provide information about any presentations they may be able to provide, and *the Retiree Open Enrollment webpage linked below will be updated with webinar links and call-in information by October 19th:*
